CONCRETE LOOK

Material

Una nuova collezione in grande formato che interpreta il cemento con un elegante accento minimalista. Superfici sulle quali affiora in modo irregolare una graniglia fine, componendo una texture imperfetta e naturale che restituisce la sensazione di una materia leggermente usurata. Declinata in 6 colori neutri e 4 formati – dal 120x120 al 30x60 – Material è impreziosita da mosaici tradizionali su tutti i colori e a spaccatella.

A new large-size material that takes an elegant, minimalist approach to concrete. Surfaces with a fine-grained grit emerging unevenly onto the surface, creating a natural, flawed texture with the impression of a slightly worn material. In 6 neutral colours and 4 sizes - from 120x120 cm to 30x60 cm – Material also includes exquisite mosaics, traditional in all colour variants and in “spaccatella” version.

Une nouvelle collection grand format qui interprète le béton avec une touche délicate de minimalisme. Des surfaces sur lesquelles apparaît, par intermittence, une fine grenaille créant une texture imparfaite et naturelle qui donne un effet d'usure légère. Disponible en six tonalités neutres et en quatre formats - du 120x120 cm au 30x60 cm, Material s'assortit de mosaïques classiques dans toutes les couleurs et de mosaïques avec tesselles à bords irréguliers.

Eine neue Kollektion großformatiger Fliesen, die Beton mit minimalistischer Eleganz interpretiert. Auf den Oberflächen tritt eine unregelmäßige feine Körnung zum Vorschein, die eine lebendige, natürlich anmutende Textur erzeugt und an leichte Gebrauchsspuren erinnert. Material wird in sechs neutralen Farben, vier Formaten - 120x120 cm bis 30x60 cm - sowie mit Mosaiken, mit klassischen oder unregelmäßig gehämmerten Mosaiksteinen, geboten.
